BUILD A CLEAN CRATE

- [ ] Buy from official, legal sources only.
- [ ] Download 320 kbps MP3 or WAV, the best you can.
- [ ] Tag artist, title, key and BPM on every track.
- [ ] Build playlists by genre, mood and event type.
- [ ] Check for new releases on a schedule.
- [ ] Keep your software and drives safe from risky downloads.
- [ ] Use WAV for club and festival systems.
- [ ] Fix missing edits and metadata as you go.
- [ ] Back up monthly, to a drive and the cloud.
- [ ] Follow copyright and license rules.

REMEMBER

Buy legal. Buy quality. Keep it organized.
